[illegible]

This cross-sectional view shows a multi-layered assembly. At the top is a thin layer 54, followed by a thicker layer 52. Below these is a large, hatched region 50. Within this hatched region, there are several rectangular components 32 and 44. Below the hatched region is a thin layer 42. Underneath this is a layer 10, which contains several rectangular components 12, 26, 20, 25, and 40. A curved line 30 is also shown within the layer 10. The bottom-most layer is a thin layer 27.
